

MoD Chinook service contract heads the list for last month by Chris Graham, Great North News Services. An £830,000 contract for servicing Chinook helicopter engines tops the list of 24 MoD UK awards of less than £1m last month. This goes to AT Engine Controls, Worsley, Manchester from GB-Yeovilton and includes repair, overhaul, upgrades and fault investigation. The Chinook helicopter entered service in the early 1980s and is expected to continue to 2040. The current fleet size is 46 Boeing DH-47 airframes. All airframes have two engines, either the T55-L-712F or 55-L-714A, and each engine has a Full Authority Digital Electronic Control (FADEC) part of which is the Digital Electronic Control Unit (DECU).

Permal Gloucester Ltd, Gloucester, has won an £830,000 MoD combined contract from GB-Telford for parts for of military vehicles, a front-mounted window with a one-piece frame.
